Subject to certain exceptions, the right to a free public education means we cannot require students or their families to purchase supplies. Samohi Orchestras will provide all necessary supplies for your child to have a quality music education experience. However, due to limits in that funding, we ask parents/guardians to consider making a donation to Samohi Orchestras, which greatly enhances the program for all students. Fundraising by the Orchestra Parents Association helps to fund sectional coaching, instruments and other materials, scholarships for private lessons, and tour expenses. The suggested donation per student is \$350, but support of any amount, higher or lower, makes a real difference. If you are in a position to give, we hope you will give as much as you can.

Our program could not flourish without the support of the community, and we thank you for your generosity. **If you have any questions about donations, please contact us at: [donate@samohiorchestras.org](mailto:donate@samohiorchestras.org)**
